Net-Ctrl

Net-Ctrl will be exhibiting at BETT 2022 on stand SK31. We will be showcasing select solutions from our technology portfolio, including:

Wireless, Switching, Onboarding and Analytics – Ruckus

Cyber Awareness and Phishing Simulation Training – Boxphish

Intercom and CCTV – Mobotix, Cloudvue and Commend

Bell, Class Change, PA and Lockdown – Bodet

Access Control – Tyco, CEM and Kantech

The small print

1. Only one entry per person.
2. Only open to people who can provide a UK mailing address.
3. Entrants must provide their email, name and organisation via entry slip.
4. Prize will only be shipped to UK addresses.
5. We reserve the right to change or cancel this giveaway without notice, including prizes awarded or competition conditions.
6. We reserve the right to refuse entry to or withdraw any entrant without notice or explanation.
7. Data privacy. We will not pass your data to third parties. Net-Ctrl will delete your information on completion of the competition. Your data will only be used to contact you if you are a prize winner. Unless you have requested to be kept up-to-date with our monthly newsletter.
