One unified security solution

"Verkada develops, builds, owns, and supports all of their hardware and software. This allows us to move towards a centralized system where all our physical security devices live on one platform and speak to each other effortlessly."

Patrick Allen,
Director of Network Services
Dairy Farmers of America

Scale with ease

"For a city of our scale, agility is critical. With Verkada, we are able to automate emergency response, provide access to first responders immediately, and do so from one simple platform."

Michael Sherwood,
Chief Innovation Officer
City of Las Vegas

Seamless access from anywhere

"The mobile app has the same capabilities as the web portal, there are so many features that help save time. I can search for vehicles and people, share live camera feeds with first responders and send archived footage from any device."

Dennis Haynie,
Executive Director of Technology
